Purpose

The multi-purpose foam wedges comfortably elevate your patient's head or feet. More effective than pillows or rolled towels, they resist slipping and sliding for secure positioning. Solid with or without covers, Skil-Foam Wedges are available in many sizes.

Cover Laundering Instructions

The cover may be laundered and dried at temperatures up to 180°F (82°C). Bleaching is not recommended. Bleach will, over time, destroy the thread and fibers and shorten the useful life of the cover.
