707038	CarPack	14" x 18"	Each

**Purpose**

The ChairPack and CarPack are ideal storage solution for books, looseleafs, writing utensils, travel items and games. With limited alternative storage the ChairPack holds the students materials while mounted to the chair back. There is a foam liner on the ChairPack that is in contact with the students back to enhance comfort. When the CarPack is mounted to the back of the front seat of your car all the items are within easy reach, and the CarPack helps keep the back of the car neat and clean.

**Easy to Use (ChairPack)**

Place the ChairPack on a chair with the pockets facing away from the desk and the foam padding towards the desk. Assure that the chair back is sandwiched between the front and back of the ChairPack and that the pack is hanging in its lowest position.

**Easy to Use (CarPack)**

Place elastic strap around headrest. Use lower straps to go around the front seat, tighten buckle to secure to front seat.

**Caution**

**ChairPack:** Since chairs vary in construction and weight, assure that when the pack is fully loaded, the chair is stable. If not, some weight must be removed from the pack.

**CarPack:** Do not place large or objects with sharp edges in the CarPack as items may become dislodge during sudden stops.

**Easy Care**

The product is manufactured from durable nylon and can be cleaned with a spray disinfectant. Although nylon can be laundered, the clear “name tag” window cannot, so do not launder.
