

BARRIER BIBS

Reorder	Description	Unit
<input type="checkbox"/> 910015	Barrier Bib w/Catch Pocket	Dz.
<input type="checkbox"/> 910025	Lap-Length Barrier Bib	Dz.

Skil-Care's full-sized, absorbent cloth bibs are backed with a liquid-proof barrier that protects clothing against stains caused by food or beverage spills. Available with or without a catch pocket.

Laundering

Barrier Bibs may be laundered and dried according to standard white goods procedures at temperatures that do not exceed 130° F (60° C).
