

Gel-Infused  
Visco-Elastic Foam

**Elastic Straps** which wrap easily  
over any wheelchair foam cushion

Re-Order Number	Descriptions	Size	Units
914441	Gel-Infused Visco Cushion Topper w/ Low Shear II Cover	18" x 16" x 1"	Each

### Purpose

This thin-line covered Gel-Infused Visco Cushion Topper helps in upgrading any foam cushion. The effective pressure relieving gel-infused visco foam cushion and water proof cover are a must for enhancing any low-level foam cushion.

### Important Safety Feature

The Gel-Infused Visco Cushion Topper has elastic straps underneath that wrap around any foam wheelchair cushion. Which prevents the cushion from sliding off the foam cushion.

### Easy Care

The Gel-Infused Visco Cushion Topper wipes clean with a damp cloth and spray-type cleanser. It may be disinfected with a non-chlorine disinfectant. Do not use bleach or launder. The cloth cover can be cleaned with a wipe-on or spray disinfectant. Do not use bleach or launder.
