914682	Red	12"	3 lbs.
914683	Green	14"	5 lbs.
914684	Blue	16"	7 lbs.

Purpose

Skil-Care's Weighted Lap Pads provide the deep pressure users require in order to feel grounded. These pads enable users to sit better for longer periods and pay closer attention for improved learning. Weighted lap pads are recommended for use at home, in class, and during road trips.

Easy Care

These vinyl-covered pads clean easily with spray-and-wipe cleansers and can be disinfected with spray-on disinfectant.

Caution

Do not stand or sit on lap pads as a leak might occur.
