### **Purpose**

Skil-Care's Weighted Lap Pads provide the deep pressure users require in order to feel grounded. These pads enable users to sit better for longer periods and pay closer attention for improved learning. Weighted lap pads are recommended for use at home, in class, and during road trips.

### **Easy Care**

These vinyl-covered pads clean easily with spray-and-wipe cleansers and can be disinfected with spray-on disinfectant.

### **Caution**

Do not stand or sit on lap pads as a leak might occur.
