Unit

Each

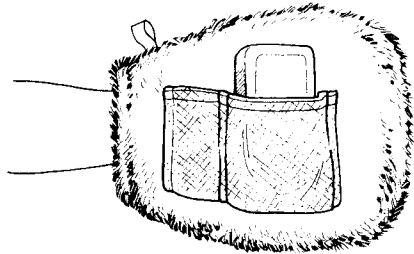

Purpose

Skil-Care's Bath Mitt is designed to exfoliate the skin as it cleans.

Easy to Use

1. Place a bar of soap in the mesh pocket (see illustration).
2. Soak mitt thoroughly and gently wash patient.
3. The opposite side of the mitt may be used for washing without exfoliation.

Important: Launder mitt after each use. This is vital for infection control.

Easy Care

The Bath Mitt may be laundered and dried at temperatures that do not exceed 180°F.
